MESSAGE FROM VIETEX AGRI

Sustainable Supply Chain – Premium Quality

Dear Partners and Valued Customers,

First and foremost, Vietex Agri Trading would like to extend our warmest greetings and sincere gratitude for your trust in our journey.

At Vietex Agri, we focus on optimizing the agricultural value chain management from farm to table. By bridging Vietnam's rich natural resources with manufacturing facilities certified under international standards—including **ISO, HACCP, HALAL, and BRC**—we deliver a diverse portfolio of premium fresh fruits, seasonal vegetables, and high-quality canned products.

Our operations are driven by three core pillars:

- **Quality & Credibility:** Strict adherence to global food safety protocols at every stage of production.
- **Flexibility**: Quick and precise adaptation to the diverse and evolving needs of the global market.
- **Sustainability:** Commitment to building a stable, long-term supply chain that ensures consistent product availability and mutual growth.

We don't just supply products; we provide reliable supply chain solutions tailored to your success. We look forward to building a partnership rooted in trust, transparency, and shared values.

Warm regards,

The Board of Directors

Vietex Agri Trading Co., Ltd
